Cheryl Vascik asked if we need a township car. It was explained that it is used for the Fire Departments for classes that they attend, the Building Department for inspections, Township officials for meetings and seminars, Committee members for meetings etc. It is more cost effective to have the Township car vs. each of these departments being reimbursed for mileage if they used their own vehicle.

Trustee Cousino requested a break down of the estimates from the Park Commission for their proposed improvements for the next budget meeting.

Chief Hines stated that the child ID kits from Apple time cost the Police Department \$645.00.

Trustee Grodi suggested that Sergeant Konopka be allowed to take his Police vehicle home with him. Trustee Cousino suggested to table the idea for the
