Spring Walk Through

Maplewood Park

- Parking lot looks great
- Smaller playscape is in good shape.
- Rake mulch under swings and teeter – totter.
- Check as to why there is duct tape and zip ties on green slide.
- Graffiti on slide.
- Picnic tables look good. Do not stack them in the winter.
- Bolt is broken on base of water fountain.
- Cover plates have been removed from electric outlets in the pavilion.
- Crack on left side of basketball court need filled. (Bergman)
- Base of basketball pole needs concrete. (near flagpole)
- Horse shoe pits need repair or to be redone. Some have boards missing. Large bolts exposed.
- Spray ball fields.
- A new home plate foundation with a new home plate and 8 x 8 hitting mat needed.
- Replace missing end caps on bleachers.
- New gravel is needed in ball fields
- Weed kill trail and drag side of fence.
- Porta Johns to be installed
- Right field corner trees need trimmed. (Erie Tree)
- Conduit going up both light poles to be secured.

South Erie Park

- Remove or repair center gate
- Replace missing end caps on bleachers.
- Trim overhanging trees at beginning of walking trail.
- Broken bench at ball field # 1 at 3rd base.
- Base of fence at ball field 1 needs to be straightened.
- Purchase a T Ball suspended hitting mat.
- Trim a limb on tree that was broken near base ball diamond # 2.
- Check condition of basket ball nets.
- Install (concrete) both benches near shed near small play area near diamond 2.
- Tighten ladder for monkey bar in small play area.
- Benches at base ball field # 2 needs repaired or replaced and concreted in place.
- Third base 2nd diamond post is out.
- Ball field # 3 is flooded.
- Remove the spinning dish in back field (safety issues).
- Lock back gate to stop truck off-roading
- More gravel for walking trail path.
- Consider a possible sledding hill to replace ball diamond # 3.

Morin Point Park

- The same boats are illegally parked all over the park property.
- Barbeque pit needs secured.
- There is a large crack on the concrete under the pavilion.
- Large boats are parked near the fire hydrant.
- Mulch is needed at all of the play areas.
- Screws and nuts are loose on play equipment.
