You MUST answer all questions and include all required documents or the application will be returned until you can provide all documents and a completed application. Erie Township cannot make any determination on a land division or combination without full application being made to the Township. You may wish to consult with an attorney or planner, engineer, surveyor or other professional to ascertain compliance with the above mentioned Public Acts and Township Zoning Ordinances in this application.

Attached is the Erie Township Land Division/Combination Application. The entire application must be filled out and *all owners' signatures must be on page 6*. The application, as submitted, shall comply with items 7, A thru K, on page 4 of the application.

The completed application with all required attachments shall be submitted to the Township Assessor accompanied by the required processing fee and any escrow fees that may apply. Upon completion of the review by the Township Assessor, Building Official, Zoning Administrator and/or any other Township Consultant, as may be required (Attorney, Engineer, Planner, etc.), the Township Assessor will inform the applicant of the final approval or denial. *The Township will approve or deny all applications within forty-five (45) days from receipt of a completed application.*

If the application is approved, the Township Assessor will process the division/combination on the next year's assessment roll. The applicant will be supplied with parcel numbers upon request. The descriptions and parcel numbers will be in effect for the following tax year.

For Example: If division request is in calendar year 2020, the new parcels will not be on the assessment or tax roll until the 2021 assessment and tax year.

If the application is denied, the applicant will receive a letter stating that the application has been denied and it will list the reason(s) for denial. Any person aggrieved by the decision within 30 days of said decision, may appeal the decision to the governing body designated by the Township Board. That governing body shall consider and resolve such appeal by a majority vote of said board at its next regular meeting or session affording sufficient time for a 20 day written notice to the applicant of the time and date of said meeting and appellate hearing.
