Northbound Summit Street bridge at Substation Road in Monroe County closed for maintenance until mid-March

LANSING, Mich. - The Michigan Department of Transportation (MDOT) has closed the [northbound Summit Street bridge at Substation Road over the railroad](#) for maintenance work.

County:

Monroe

Highway:

Northbound Summit Street

Closest city:

Monroe

Start date:

2 p.m.

Thursday, Jan. 11, 2024

Estimated end date:

5 p.m.

Thursday, March 15, 2024

Traffic restrictions:

This work will require closing the northbound Summit Street bridge at Substation Road. The northbound I-75 exit ramp to Summit Road will remain open for local traffic only.

Safety benefit:

This work will allow MDOT's statewide bridge crew to address immediate maintenance needs on the structure.
